To Whom It May Concern:

I am writing on behalf of David Kohout whose presentation “Talk is Cheap” proved to be both engaging and challenging to our student body and staff alike. David’s words were both entertaining and informative and provided a heartfelt and hard hitting message so badly needed by adolescents today. His dynamic personality, humor and energy radiated through the auditorium and enabled him to connect and convey a valuable message.

He reminded everyone that “they are not an accident, they are not a mistake, and there is a reason and purpose for their life” He expressed to our students that he believed he was standing in the presence of greatness, and that was true for us as school district as well, as David provided his own measure of greatness in his presentation.

If you are looking for a dynamic speaker and poignant message David is your man. I wholeheartedly and unequivocally recommend David Kohout to your district as a guest speaker.

Best Regards,

Anthony J. DeFelice
